

Congratulations Edwin, Eugene, & Chico

Title Championships, June 3-5, 2010

Eugene Collins, 9, 80, in his first boxing tournament experience, lost to 10-year-old Jessie Flecher of Louisiana. Eugene's opponent pressed forward until the referee stopped the bout mid-way into the 2nd. Chico MicQueen, 141, competing in his first boxing tournament, lost a decision to Ohio's Jamel Harris in preliminary action. Command alternated between the competitors over the course of all three rounds. Edwin Reyes, 108, unopposed in tournament action, retained last year's novice-division belt. In a matched bout against a heavier, unopposed boxer, Edwin defeated Don Johnson of Missouri. A close bout was secured in Edwin's favor due to two referee warnings issued for his opponent's excessive holding. Coaches Justin Gamber, Timmy Miller, and Christy Halbert led the team in Ripley, Tennessee. Team BRC joined with Battleground, LaVergne, and Arellano teams for a rain-soaked cook-out. Thanks to Eugene's parents and Ifeoma Nwankwo for adding moral support from the stands on the last night of competition.
